

On the Subject of VTuber Identification

Falling into the depths of the rabbit hole...

- This module contains a keyboard, a text box, three unlit LEDs and either a Hololive logo or a Nijisanji logo.
- To initiate a stage, press the border in the question mark. It will show one of the VTubers' picture for a short amount of time.
- Type the exact name of the VTuber shown on the module, then press the enter key to submit it.
- If the name is correct, an LED beside the border will light up. Light up all three LEDs to disarm the module.
